

IN THE CLAIMS:

Please amend the claims as follows:

A marked up copy of each amended claim pursuant to 37 CFR § 1.121(c)(1)(ii) appears on the page immediately following the amended claim.

1. (Amended) A system comprising:

AS
a server including a script associated with an identifier;
a computer system coupled to the server and including a port; and
a device coupled to the port, the device including the identifier;
the computer system configured to:

read the identifier from the device;

provide the identifier to the server; and

cause a script associated with the identifier to be executed to cause one or more software components to be installed onto the computer system.
